Manifestazione di interesse per lo sviluppo di azioni prevenzionali in ambito regionale in materia di salute e sicurezza sul lavoro: Anno 2017

Progetto “Sicurezza sul lavoro, in pratica”: un’iniziativa di rete per il sostegno della prevenzione dei rischi e la diffusione della cultura della sicurezza. Progetto 2017: realizzazione di un ambiente di consultazione interattivo mirato alla individuazione e condivisione di soluzioni tecniche utili alle PMI, per una gestione della SSL orientata al miglioramento continuo”
